**Annual Report of Examinations Section  
For the Academic Year 2022-23**

**GIET (A), RAJAHMUNDRY**

Examinations Section of GIET (A), Rajahmundry always strives to conduct fair and unbiased examinations for its UG and PG students. The entire evaluation process is secure and transparent. Processing of UG and PG Examinations and evaluated results is done through “**BEES Examination Tool Plus**” to make the process quick and error free.

Different programs that are run by GIET (A), Rajahmundry are (1) B. Tech (2) M. Tech (3) MCA and (4) MBA. The Academic Year for each program is divided into two semesters known as Odd Semester and Even Semester. Regular Examinations are conducted at the end of each Semester and results are processed after proper evaluation.

Theory and practical subjects have both internal and external components of assessment for which examinations are conducted separately as per the academic calendar. The results obtained from the internal and external components of assessment of each subject are added together to arrive at the final result of that subject.

Internal and external question papers are prepared conforming to the OBE pattern clearly mentioning the Blooms cognitive levels and course outcomes against each question.

Examination section conducts Supplementary Examinations for external components of assessment of all theory subjects. Examination for the subjects of Odd Semester is conducted in the Even Semester and the Examinations for the subjects of Even Semester are conducted in the Odd Semester. However conduct of Supplementary Examinations of final year B. Tech is advanced. That is odd semester Supplementary Examinations are conducted in the odd Semester and Even Semester Supplementary Examinations are conducted in the Even Semester.

The supplementary examinations of final year final semester of MBA and MCA are conducted in advance in the same semester only.

A program and semester wise report of conducting the internal and external Examinations & publication of the results thereof for all the programs are given below. At the end of the result analysis of each program, a list of toppers of the program is given.

**Malpractice Cases**

Total incidence of Malpractice Cases across all the programs in the Academic Year is **Zero**. Malpractice cases in GIET (A), Rajahmundry are dealt according to the malpractice rules framed by the Academic Council from time to time. To deal with malpractice cases, a committee is appointed under the Chairmanship of the Chief Controller of Examinations to thoroughly inquire and counsel the student(s) involved in such practice and impose the punishment as per the rules if the offence is committed.

To ensure that no such offence is committed by any student, two invigilators are appointed in every examination hall. Apart from the room invigilators, a special invigilator is appointed for every 4 rooms. An internal squad who is of the designation of a professor or a Head of a Department is also appointed on the days of examinations to regularly visit the examination halls and initiate action if any such offence is committed. The Controller and the Chief Controller of Examinations also visit the examination halls regularly to ensure that no such offence is committed and to monitor the staff members who are appointed for various duties related to the examinations.

**Annual Report of Examinations Section  
For the Academic Year 2021-22**

**GIET (A), RAJAHMUNDRY**

Examinations Section of GIET (A), Rajahmundry always strives to conduct fair and unbiased examinations for its UG and PG students. The entire evaluation process is secure and transparent. Processing of UG and PG Examinations and evaluated results is done through “**BEES Examination Tool Plus**” to make the process quick and error free.

Different programs that are run by GIET (A), Rajahmundry are (1) B. Tech (2) M. Tech (3) MCA and (4) MBA. The Academic Year for each program is divided into two semesters known as Odd Semester and Even Semester. Regular Examinations are conducted at the end of each Semester and results are processed after proper evaluation.

Theory and practical subjects have both internal and external components of assessment for which examinations are conducted separately as per the academic calendar. The results obtained from the internal and external components of assessment of each subject are added together to arrive at the final result of that subject.

Internal and external question papers are prepared conforming to the OBE pattern clearly mentioning the Blooms cognitive levels and course outcomes against each question.

Examination section conducts Supplementary Examinations for external components of assessment of all theory subjects. Examination for the subjects of Odd Semester is conducted in the Even Semester and the Examinations for the subjects of Even Semester are conducted in the Odd Semester. However conduct of Supplementary Examinations of final year B. Tech is advanced. That is odd semester Supplementary Examinations are conducted in the odd Semester and Even Semester Supplementary Examinations are conducted in the Even Semester.

The supplementary examinations of final year final semester of MBA and MCA are conducted in advance in the same semester only.

A program and semester wise report of conducting the internal and external Examinations & publication of the results thereof for all the programs are given below. At the end of the result analysis of each program, a list of toppers of the program is given.

**Malpractice Cases**

Total incidence of Malpractice Cases across all the programs in the Academic Year is **Zero**. Malpractice cases in GIET (A), Rajahmundry are dealt according to the malpractice rules framed by the Academic Council from time to time. To deal with malpractice cases a committee is appointed under the Chairmanship of the Chief Controller of Examinations to thoroughly inquire and counsel the student(s) involved in such practices and impose the punishment as per the rules if the offence is committed.

To ensure that no such offence is committed by any student, in every examination hall two invigilators are appointed for a total number of 48 students. Apart from the room invigilators a special invigilator for every 4 rooms is appointed. An internal squad who is of the designation of a professor or a Head of a Department is also appointed on the days of examinations to regularly visit the examination halls and initiate action if any such offence is committed. The Controller and the Chief Controller of Examinations also visit the examination halls regularly to ensure that no such offence is committed and to re-enforce the staff members who are appointed for various duties related to the examinations.

# **Annual Report of Examinations Section For the Academic Year 2020-21**

## **GIET (A), RAJAHMUNDRY**

Examinations Section of GIET (A), Rajahmundry always strives to conduct fair and unbiased examinations for its UG and PG students. The entire evaluation process is secure and transparent. Processing of UG and PG Examinations and evaluated results is done through “**BEES Examination Tool Plus**” to make the process quick and error free.

Different programs that are run by GIET (A), Rajahmundry are (1) B. Tech (2) M. Tech (3) MCA and (4) MBA. The Academic Year for each program is divided into two semesters known as Odd Semester and Even Semester. Regular Examinations are conducted at the end of each Semester and results are processed after proper evaluation.

Theory and practical subjects have both internal and external components of assessment for which examinations are conducted separately as per the academic calendar. The results obtained from the internal and external components of assessment of each subject are added together to arrive at the final result of that subject.

Internal and external question papers are prepared conforming to the OBE pattern clearly mentioning the Blooms cognitive levels and course outcomes against each question.

Examination section conducts Supplementary Examinations for external components of assessment of all theory subjects. Examination for the subjects of Odd Semester is conducted in the Even Semester and the Examinations for the subjects of Even Semester are conducted in the Odd Semester. However conduct of Supplementary Examinations of final year B. Tech is advanced. That is odd semester Supplementary Examinations are conducted in the odd Semester and Even Semester Supplementary Examinations are conducted in the Even Semester.

The supplementary examinations of final year final semester of MBA and MCA are conducted in advance in the same semester only.

A program and semester wise report of conducting the internal and external Examinations & publication of the results thereof for all the programs are given below. At the end of the result analysis of each program, a list of toppers of the program is given.

### Malpractice Cases

Total incidence of Malpractice Cases across all the programs in the Academic Year is **Zero**. Malpractice cases in GIET (A), Rajahmundry are dealt according to the malpractice rules framed by the Academic Council from time to time. To deal with malpractice cases a committee is appointed under the Chairmanship of the Chief Controller of Examinations to thoroughly inquire and counsel the student(s) involved in such practices and impose the punishment as per the rules if the offence is committed.

To ensure that no such offence is committed by any student, in every examination hall two invigilators are appointed for a total number of 48 students. Apart from the room invigilators a special invigilator for every 4 rooms is appointed. An internal squad who is of the designation of a professor or a Head of a Department is also appointed on the days of examinations to regularly visit the examination halls and initiate action if any such offence is committed. The Controller and the Chief Controller of Examinations also visit the examination halls regularly to ensure that no such offence is committed and to re-enforce the staff members who are appointed for various duties related to the examinations.

# **Annual Report of Examinations Section For the Academic Year 2019-20**

## **GIET (A), RAJAHMUNDRY**

Examinations Section of GIET (A), Rajahmundry always strives to conduct fair and unbiased examinations for its UG and PG students. The entire evaluation process is secure and transparent. Processing of UG and PG Examinations and evaluated results is done through “**BEES Examination Tool Plus**” to make the process quick and error free.

Different programs that are run by GIET (A), Rajahmundry are (1) B. Tech (2) M. Tech (3) MCA and (4) MBA. The Academic Year for each program is divided into two semesters known as Odd Semester and Even Semester. Regular Examinations are conducted at the end of each Semester and results are processed after proper evaluation.

Theory and practical subjects have both internal and external components of assessment for which examinations are conducted separately as per the academic calendar. The results obtained from the internal and external components of assessment of each subject are added together to arrive at the final result of that subject.

Internal and external question papers are prepared conforming to the OBE pattern clearly mentioning the Blooms cognitive levels and course outcomes against each question.

Examination section conducts Supplementary Examinations for external components of assessment of all theory subjects. Examination for the subjects of Odd Semester is conducted in the Even Semester and the Examinations for the subjects of Even Semester are conducted in the Odd Semester. However conduct of Supplementary Examinations of final year B. Tech is advanced. That is odd semester Supplementary Examinations are conducted in the odd Semester and Even Semester Supplementary Examinations are conducted in the Even Semester.

The supplementary examinations of final year final semester of MBA and MCA are conducted in advance in the same semester only.

A program and semester wise report of conducting the internal and external Examinations & publication of the results thereof for all the programs are given below. At the end of the result analysis of each program, a list of toppers of the program is given.

## Malpractice Cases

Total incidence of Malpractice Cases across all the programs in the Academic Year is **Zero**. Malpractice cases in GIET (A), Rajahmundry are dealt according to the malpractice rules framed by the Academic Council from time to time. To deal with malpractice cases a committee is appointed under the Chairmanship of the Chief Controller of Examinations to thoroughly inquire and counsel the student(s) involved in such practices and impose the punishment as per the rules if the offence is committed.

To ensure that no such offence is committed by any student, in every examination hall two invigilators are appointed for a total number of 48 students. Apart from the room invigilators a special invigilator for every 4 rooms is appointed. An internal squad who is of the designation of a professor or a Head of a Department is also appointed on the days of examinations to regularly visit the examination halls and initiate action if any such offence is committed. The Controller and the Chief Controller of Examinations also visit the examination halls regularly to ensure that no such offence is committed and to monitor the staff members who are appointed for various duties related to the examinations.

**Annual Report of Examinations Section  
For the Academic Year 2018-19**

**GIET (A), RAJAHMUNDRY**

Examinations Section of GIET (A), Rajahmundry always strives to conduct fair and unbiased examinations for its UG and PG students. The entire evaluation process is secure and transparent. Processing of UG and PG Examinations and evaluated results is done through “**BEES Examination Tool Plus**” to make the process quick and error free.

Different programs that are run by GIET (A), Rajahmundry are (1) B. Tech (2) M. Tech (3) MCA and (4) MBA. The Academic Year for each program is divided into two semesters known as Odd Semester and Even Semester. Regular Examinations are conducted at the end of each Semester and results are processed after proper evaluation.

Theory and practical subjects have both internal and external components of assessment for which examinations are conducted separately as per the academic calendar. The results obtained from the internal and external components of assessment of each subject are added together to arrive at the final result of that subject.

Examination section conducts Supplementary Examinations for external components of assessment of all theory subjects. Examination for the subjects of Odd Semester is conducted in the Even Semester and the Examinations for the subjects of Even Semester are conducted in the Odd Semester. However conduct of Supplementary Examinations of final year B. Tech is advanced. That is odd semester Supplementary Examinations are conducted in the odd Semester and Even Semester Supplementary Examinations are conducted in the Even Semester.

The supplementary examinations of final year final semester of MBA and MCA are conducted in advance in the same semester only.

A program and semester wise report of conducting the internal and external Examinations & publication of the results thereof for all the programs are given below. At the end of the result analysis of each program, a list of toppers of the program is given.

**Malpractice Cases**

Total incidence of Malpractice Cases across all the programs in the Academic Year is **Zero**. Malpractice cases in GIET (A), Rajahmundry are dealt according to the malpractice rules framed by the Academic Council from time to time. To deal with malpractice cases a committee is appointed under the Chairmanship of the Chief Controller of Examinations to thoroughly inquire and counsel the student(s) involved in such practices and impose the punishment as per the rules if the offence is committed.

To ensure that no such offence is committed by any student, in every examination hall two invigilators are appointed for a total number of 48 students. Apart from the room invigilators a special invigilator for every 4 rooms is appointed. An internal squad who is of the designation of a professor or a Head of a Department is also appointed on the days of examinations to regularly visit the examination halls and initiate action if any such offence is committed. The Controller and the Chief Controller of Examinations also visit the examination halls regularly to ensure that no such offence is committed and to re-enforce the staff members who are appointed for various duties related to the examinations.
