To  
Dr B Srinivas Raja  
Professor -ECE  
Godavari Institute of Engineering & Technology(A),  
Rajahmudry  
Dear Sir,

**Subject: Budget Release for Approved Project - reg**

@@@

We are pleased to announce the release of the approved budget for the project titled "Application of Image Processing and Machine Learning on CT Scan Images for Diagnosing Chronic Obstructive Pulmonary Disease (COPD)" as per the terms of our collaboration. This budget release is in line with the approved project proposal and work order.

The approved budget for this project is as follows:

- Total Project Budget: Rs.3,20,000
- Allocated Funds for Phase 1 (Data Collection and Preprocessing): [Rs.50000]
- Allocated Funds for Phase 2 (Feature Extraction and Model Development): [Rs.1,00,000]
- Allocated Funds for Phase 3 (Model Training and Validation): [Rs.1,00,000]
- Allocated Funds for Phase 4 (Interpretation and Clinical Validation): [Rs.50,000]
- Allocated Funds for Phase 5 (Results Analysis and Documentation): [Rs.20,000]

The above-mentioned funds are being released for the respective project phases as per the agreed timeline and deliverables. This budget release aims to ensure smooth execution of the project and timely achievement of project milestones.

We appreciate your organization's commitment to this collaborative endeavour and look forward to the successful outcome of the project.

## UTILIZATION CERTIFICATE

Utilization Certificate for the years **2021-23** in respect of recurring/non-recurring

GRANTS-IN-AID/SALARIES/CREATION OF CAPITAL ASSETS

1. Name of the Scheme: **Non-government**
2. Project title: **Application of Image Processing and Machine learning on CT scan images for Diagnosing COPD**
3. Whether recurring or non-recurring grants: **Recurring**
4. Details of grants received, expenditure incurred and closing balances: (Actuals)

Grant received during the year		Total available funds	Expenditure incurred	Closing Balances
1		2	3	4
2021-22	1,50,000	3,20,000	3,20,000	NIL
2022-23	1,70,000			

1. Component wise utilization of grants:

Grant-in-aid-General		Total
1. Consumables –	55,000	3,20,000
2. Travel –	20,450	
3. Design, Simulation and testing –	1,35,000	
4. Demo/training expenses –	50,140	
5. Contingencies/other costs –	25,150	
6. Institutional overheads –	19,000	
7. Miscellaneous –	15,260	

2. Details of grants at the end of the year:

- (i) Amount sanctioned: 3,20,000
- (ii) Amount utilized: 3,20,000
- (iii) Unadjusted Advances: --

Dear Sir,

**Subject: Budget Release for Approved Project - reg**

We are pleased to announce the release of the approved budget for the project titled "Design and Simulation of all-optical universal gates" as per the terms of our collaboration. This budget release is in line with the approved project proposal and work order.

The approved budget for this project is as follows:

- Total Project Budget: Rs. 2,60,000

- Allocated Funds for Phase 1 (Develop the models for the proposed) - Rs. 50,000
- Allocated Funds for Phase 2 (Performance analysis of proposed design) - Rs. 50,000
- Allocated Funds for Phase 3 (Optimization of the proposed design) - Rs.1,00,000
- Allocated Funds for Phase 4 (Results Analysis and Documentation) - Rs. 60,000

The above-mentioned funds are being released for the respective project phases as per the agreed timeline and deliverables. This budget release aims to ensure smooth execution of the project and timely achievement of project milestones.

We appreciate your organization's commitment to this collaborative endeavour and look forward to the successful outcome of the project.

Sincerely,

Dear Sir,

**Subject: Budget Release for Approved Project - reg**

@@@

We are pleased to announce the release of the approved budget for the project titled "Microstrip patch antenna" as per the terms of our collaboration. This budget release is in line with the approved project proposal and work order.

The approved budget for this project is as follows:

- Total Project Budget: Rs.4,60,000
- Allocated Funds for Phase 1 (Design an Effective Microstrip Patch Antenna): [Rs.60000]
- Allocated Funds for Phase 2 (Optimize Radiation Pattern, Broaden Bandwidth): [Rs.1,00,000]
- Allocated Funds for Phase 3 (Validate Design Through Simulation): [Rs.1,00,000]
- Allocated Funds for Phase 4 (I Measure and Compare Results): [Rs.1,00,000]
- Allocated Funds for Phase 5 (Results Analysis and Documentation): [Rs.1,00,000]

The above-mentioned funds are being released for the respective project phases as per the agreed timeline and deliverables. This budget release aims to ensure smooth execution of the project and timely achievement of project milestones.

We appreciate your organization's commitment to this collaborative endeavour and look forward to the successful outcome of the project.

Sincerely,
