Event Name : Digital Literacy
Event Date : 20-03-2021
Event Venue : Rajanagaram

Digital Literacy Programme was conducted by GIET (A) at the High School Rajanagaram. Considering the importance of the present study uses video recordings and qualitative interviews to examine the digital literacy practices of students who have a personal laptop for school use. Findings indicate that the teachers' use of visual technologies such as Power Point presentations in whole-class settings generates a variety of individual digital literacy practices among the students. In this Event 20 Volunteers were Participated.. This Event was Convened by Dr B. Sujath head CSE Department

Event name : E Vehicle awareness programme
Event date : 27-01-2021
Event venue : Katheru

An E-Vehicle Awareness Program was conducted by the NSS Unit of GIET (A) at Katheru Village on January 27, 2021. The objective was to promote sustainable transportation solutions and raise awareness about the benefits of electric vehicles (E- Vehicles). The program aimed to educate the local community, with a particular focus on women and schoolgirls, about the importance of transitioning to eco-friendly modes of transportation. The key highlights of the event included awareness and education sessions, interactive workshops, community engagement, and inspirational talks. The event was convened by NSS PO Mr Y D Siva Prasad.

Event Name : National Energy Conservation Day
Event Date : 14-12-2021
Event Venue : Jaggampeta

The Energy Conservation Day program was organized by the Department of EEE, in collaboration with the NSS Unit of GIET (A), at Jaggampeta Village on December 14, 2020. During this event, volunteers enlightened the local residents about various Energy Conservation Techniques. These techniques included turning off lights upon exiting a room, disconnecting appliances when not in use, and opting for walking over driving. Energy conservation involves the conscious choice and implementation of strategies aimed at reducing energy consumption. It serves to both protect the environment and significantly lower utility expenses. The event was convened by EEE department HOD.
