Suggested to have MOU with EC-Council for Cyber Security and include courses from CISCO Networking Academy (<https://www.netacad.com/>).

The members had a brainstorming discussion on all the course syllabi presented and the following suggestions were incorporated in the Syllabi.

- a) For every course, CO-PO mapping is mandatory along with PSOs
- b) Focus to be made on Course Objectives and Course Outcomes along with alignments
- c) Need to take care while keeping text books as prescribed and reference books be in latest edition
- d) Some elective courses can be done through NPTEL/Swayam
- e) Focus should be on job oriented courses
- f) Inclusion of Operating Systems as a mandatory course
- g) FLAT and CD can be combined
- h) Regarding SOC, more options shall be given to industry relevant courses

Based on the suggestions given by the members, BOS resolved to recommend the following to the **Academic Council** for further approval.

- a) The Course Structure and corresponding Syllabus for II B.Tech UG degree programme to be offered under GRBT-20 regulation related to CSE(Data Science)
- b) The course structure and corresponding syllabus for IV Year UG degree programme to be offered under GRBT-20 regulation related to CSE (AI&ML) and CSE (Cyber Security)
