23/8/2014

The members discussed all the points in the agenda one by one and resolved the following.

It is resolved to approve the Course Structure for B.Tech Civil Engineering as finalised in this meeting, which will be followed for the students admitted from the academic year 2014-15 onwards.

Annexure A

It is resolved to adopt the syllabus for Engineering mechanics paper & Engineering drawing paper as finalised in this meeting from the academic year 2014-15

Annexure B1, B2

It is resolved to authorise the Chairman and other local members to prepare the syllabus as per the Course Structure approved in this meeting within three months which will be taken up for discussion and approval in the next BOS meeting.

It is also resolved to approve the list of paper setters as finalised in this meeting and authorised the Chairman-BOS to add some more names if required within a month.

Annexure C

It is also resolved to approve the list of papers
shared as finalised in this meeting and authorised the
chairman - Bos to add some more names if required
within a month.

Annexure - C

Members proposed some changes in II, III & IV year
curriculum and will be considered and discussed

in the next Bos meeting
It is resolved to follow the same M.Tech Structural Engineering
re ~~structure~~ as JNTU Kakinada. Annexure D
