Dr. V V Krishna, Principal GIET (A), welcomed all the members for BOS. Prof. Jyothi Chairman BOS and HOD (Electronics and Communication Engineering) welcomed all the members to the BOS-ECE Meeting of GIET (A). The agenda points have been apprised to the members by Dean-Academics GIET (A), Dr. M Varaprasada Rao. During the meeting the following points were discussed and resolved as follows-

1. Course Structure for 2,3 and 4th years, on perusal of 1st year Approved Syllabus, in line with the Structure pre-decided in ACM to have 180 Credits in total, has been finalized. The finalized Structure is placed at Annexure 1, and is recommended the same for approval of College Academic Council.

The point of difference if more than 3 credits in Final year structure has been discussed and BOS Chairman explained that the three credits in the semester are related to Summer Project/ Summer Internship done at the end of the 3rd year and the credits are given in 4th Year 1st Semester. Thus the Actual Credits obtained in the specific semester are 22 and 3 credits got added upon completion of Summer Internship in an industry, to make the student ready for the Industrial Working.

2. The Detailed Syllabus for the 2nd Year 1st and 2nd Semesters has been finalized and is placed at Annexure 2 and is recommended the same for approval of College Academic Council.
3. The Structure and Model of Question papers for UG and PG have been approved for further necessary action. BOS recommended the Chairman (BOS-ECE) to finalize the Model Question papers accordingly and are placed at Annexure 3. BOS Members suggested to identify best experts covering all the well noted institutions in JNTUK range as well as others JNTU's and reputed institutions instead of nominating more than one expert from the same institute.
4. List of Experts for paper setting in the Specific Subjects of 2nd Year for both UG and PG programmes has been approved and addition to the list as per requirements and scrutiny by the BOS Chairman -ECE, who is hereby authorized to do so and the said lists are placed at Annexure 4.
5. List of Examiners for paper Valuation as per Annexure 5 for both UG and PG programmes have been approved and modifications if any to the list of members as per requirements is authorized to Chairman BOS-ECE. However BOS Chairman is to see that there will be only one member from one institute.

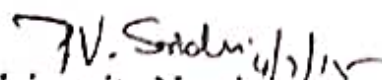

7. V. Sridhar 4/7/15

6. List of Practical Examiners for Labs as per Annexure 6 for both UG and PG programmes have been approved and modifications if any to the list of members as per requirements are authorized to Chairman BOS-ECE. However BOS Chairman is to see that there will be only one member from one institute.
7. Corrections to the Structure and Syllabus if any, as per University or Governments requirements, if any, can be done sparingly as per requirements, and BOS Chairman is authorized to make such changes.

The chairman -Board of Studies Electronics & Communication Engineering Department thanked all the BOS members, especially the members came from long distances by using various modes of transport and helped in making the 'BOS Meeting' success with their valuable recommendations. BOS Chairman-ECE also thanked all members for giving valuable suggestions for bringing more improvements for the benefit of the students in concurrent environment.

Dr. D V Ramamurthy, Principal GIET (A), welcomed all the members for BOS. Prof. Jyothi Chairman BOS and HOD (Electronics and Communication Engineering) welcomed all the members to the BOS-ECE Meeting of GIET (A), for Two days i.e on 6th and 7th Feb 2016, at the Board Room of GIET Campus, for finalizing 3rd and 4th year Syllabus along with other points in the agenda. The agenda points have been apprised to the members by Dean-Academics GIET (A), Dr. M Varaprasada Rao. During the meeting the following points were discussed and resolved as follows-

P.V. Sridhar
N. K. S.
M. B. Mahalingam
M. K. S.
M. K. S.

1. Course Structure for 1, 2, 3 and 4th years, on perusal, which were already approved by the earlier boards, following small changes have been suggested for future- The Subject of 'Computer Programming-1' may be read as "Fundamentals of Computer Programming" and the syllabus may be looked into by the Computer Science Department, while holding the BOS, for the computer Science Department, while finalising the same for all departments which are having the subject as common course.

Similarly the Subject 'Computer Programming Lab-1' may be modified to 'Computer Programming Fundamentals - Lab'. This is the suggestion to remove ambiguity in the structure. Accordingly the finalized Structure is placed at Annexure 1 for all the Four Years (1st Year, 2nd Year, 3rd Year and 4th Year) and is recommended the same for approval of College Academic Council. The said modified course structure of 1st year is enclosed at Annexure 1a.

2. The BOS members suggested looking into the marks given for Mini Project and the credits as the marks given are 100 and the credits are only two. Being the work involved the marks are kept as 100 but the credits a candidate will be getting is only 2 and is justified. However the same may also be discussed in Academic Council meeting as suggested by BOS Members.
3. The Detailed Syllabus for the 2nd Year 1st and 2nd Semesters has been already finalized in earlier BOS Meeting and is perused for overall understanding. The same is accepted to be as is except the following few small typographical/cosmetic changes for clarity. The same may please be put-up to Academic Council for approval. The said course structure is enclosed at Annexure 2.

The Subject Title for MEFA need to be common with all departments and should be Managerial Economics and Financial Analysis in line with JNTUK Subject Titles. Since the subject and Syllabus is common the same name /title may be put for this subject as '**Managerial Economics and Financial Analysis**'

4. The detailed syllabi for 3rd and 4th years have been reviewed with good inputs from all the External BOS Members. The suggestions have been incorporated and the syllabus has been finalized. These were enclosed at Annexure 3.
5. Syllabus for other departments in the following subjects have been finalized.
 1. Micro Processors and Micro Controllers for EEE with the change in the subject title as "Microprocessors and Micro Controllers and its applications"
 2. Micro Processors and Micro Controllers Lab for EEE with the change in the subject title as "Microprocessors and Micro Controllers and its applications Lab"
 3. Data Communications for CSE
 4. Microprocessors and Micro Controllers for AME
 5. Linear and Digital IC Applications for EEE
 6. VLSI Design for EEE
 7. Digital Signal Process for EEE with the change in the subject title 'Principles of Signal Processing'

The following subjects syllabus will be prepared by the other departments in the place of open electives-

- Micro Electro Mechanical Systems (MEMS) by Mech Engg
- OOPS through JAVA by CSE Department.
- Mechatronics by Mechanical Engineering Dept.
- Power Electronics by Electrical Engg Dept.

The following inter disciplinary subject syllabi will be prepared by the respective departments, which are either in Departmental Electives or in Compulsory subjects categories.

- Computer Networks by CSE
- Management Science by DMS Dept. (MBA)
- Soft Skills by HBS Dept.
- Network Security & Cryptography – CSE
- Artificial Neural Network & Fuzzy Logic by CSE

Elective III, Subject Title Embedded Systems & Real Time Operating Systems has been changed to 'Embedded Systems' and is common to EEE in the place of Elective "Real Time Embedded Systems".

The Structure and Model of Question papers for UG (3rd and 4th year) have been approved for further necessary action. BOS recommended the Chairman (BOS-ECE) to finalize the Model Question papers accordingly and are placed at Annexure 4. BOS Members suggested to identify best experts covering all the well noted institutions in JNTUK range as well as others JNTU's and reputed institutions instead of nominating more than one expert from the same institute.
