	conducted for a total duration of 120 minutes with 4 questions (without choice) each
	40050011 101 10 11d1K5 and II Will be reduced to 30 marks End compares
	conducted for 70 marks for all FIVE (5) questions (one question from one unit) to be
	answered (either or). Question paper for this examination shall be prepared externally by
	paper setters from the panel of paper setters recommended by the Chairperson of the
	Boards of studies. The evaluation of the answer scripts shall be done externally by
	evaluators belonging to University colleges Auto-
	evaluators belonging to University colleges, Autonomous colleges, or by evaluators
5.3	recommended by the chairpersons of BOS.
0.5	For practical subjects, 70 marks shall be awarded based on the performance in the End
	semester Examinations and 30 marks shall be awarded by internal assessment
	The internal evaluation based on day-to-day evaluation is for 10 Marks. Record for 5
	marks and by conducting an internal practical examination with the internal examiners for
	10 marks, There shall be two examiners (both internal) of which one shall be the
	concerned teacher and the other, a senior faculty of the department nominated by the
	NOB.
	End semester laboratory examination for M.Tech courses must be conducted with
	two examiners one of them being the laboratory class Teacher or a teacher of the
	respective college nominated by HOD and the second examiner (external examiner) shall
	be appointed by the principal from the panel of examiners submitted by the respective
	HOD. The rubrics for external examination is Procedure - 20 Marks. Experimentation /
	Programming-30 Marks, Results / Inferences-10 Marks, and Viva-voce-10 Marks.
5.4	For Mini Project with Seminar, a student under the supervision of a faculty member, shall
	collect the literature on a topic and critically review the literature and submit it to the
	department in a report form and shall make an oral presentation before the Project
	Review Committee consisting of Head of the Department, supervisor/mentor and two
	other senior faculty members of the department. For Mini Project with Seminar, there will
	be only internal evaluation of 100 marks. A condidate has to
	be only internal evaluation of 100 marks. A candidate has to secure a minimum of 50% of marks to be declared successful.
5.5	A candidate shall be deemed to have secured the minimum academic requirement in a
	subject if he secures a minimum of 40% of marks in the end semester examination and
	minimum aggregate of 50% of the total marks in the End semester examination and
	Internal Evaluation taken together.
5.6	In case the candidate does not secure the minimum and during
0.0	In case the candidate does not secure the minimum academic requirement in any subject
	(as specified in 5.5) he has to re-appear for the End semester examination in that
	subject. A candidate shall be given one chance to re-register for each subject provided
	the internal marks secured by a candidate are less than 50 % and has failed in the end
	examination. In such a case, the candidate must-re-register for the subject(s) and secure
	the required minimum attendance. The candidate attendance in the re-registered
	subjects shall be calculated separately to decide upon his eligibility for writing the end
	examination in those subjects. In the event of the student taking another change his
	Internal marks and end examination marks obtained in the previous attempt atoms
	cancelled. For re-registration the candidates have to apply to the principal through the
	HOD by paying the requisite fees and get approval from the principal before the start of
	the semester in which re-registration is required
5.7	In case the candidate secures less than the required attendance in any re registered
	subject(s), he shall not be permitted to write the end examination in that subject. He shall
	again re-register the subject when next offered.
5.8	Laboratory examination for M. Tech. courses must be conducted with two Examiners,
	One of them being the Laboratory Class Teacher or teacher of the respective college and
	the second examiner shall be appointed by the college from the nanel of examiners l
	submitted by the Chairman, BoS of the concern department.

Expulsion from the examination hall and cancellation of performance in that subject and all the other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of subjects of that semester/year. The candidate is also debarred forfeits the seat Student of the colleges Expulsion from the examination hall and cancellation of performance in that subject and all the other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of subjects of that semester/year. The candidate is also debarred for seat. Person(s) who do not belong to the College will be handed over to police and, a police case will be
MPR-10	Comes in a drunken condition to the examination hall	registered against them. Expulsion from examination hall and cancellation of performance in that subject and all the other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of subjects of that semester/year
MPR-11	Copying detected on the basis of internal evidence, such as , during valuation or during special scrutiny.	Cancellation of performance in that subject and all the other subjects the candidate has appeared including practical examinations and project work of that semester/year examinations.
MPR-12.	If any malpractice is detected which is not covered in the above clauses 1 to 11 shall be reported to the Academic council for further action to award suitable punishment	

<u>ANNEXURE - II</u>

TRANSITORY REGULATIONS FOR UG/PG STUDENTS SEEKING

RE-ADMISSION INTO 2020 REGULATIONS

(Detained due to shortage of attendance / lack of credits in earlier Regulations)

- The student has to continue the course work along with the regular students of the respective semester in which the student gets re-admission. Prior approval from JNTUK should be obtained before –admission of a candidate through Transitory Regulations.
- Substitute / compulsory subjects shall be offered in place of subjects that are already studied earlier. The student has to register for those specific subjects. The Chairman BOS and chairman Academic Council are to consult JNTUK and obtain authorization to offer alternative subjects in new regulation.
- 3. The mode of internal evaluation (i.e., in course assessments) and external evaluation (i.e., end semester examinations) shall be on par with the regular students, i.e., the student has to follow the new mode of internal evaluation and the new question paper model for the end-semester examinations along with the regular students of the respective semester in which the student gets re-admission. However, the affiliating university's approval is to be obtained before such re-admission on case to case basis.
- For the subjects studied under earlier regulations but failed, the student has to appear, pass and acquire credits from the supplementary examinations with-in the time provided by the affiliating university.
- The promotion criteria based on attendance as well as credits shall be in accordance with the regulations under which the student is re-admitted into the New Regulation Specific to the New subjects/ Substitute subjects in the new regulation as approved by JNTUK.
- 6. Credits already awarded and approved as per new regulation will be pro-rated in terms of new-credits system. To be eligible for the award of the degree, the student shall complete the attendance requirements and appear for the end semester examination in all the course as per new regulation, including the substitute/compulsory course as pre scribed in the transitory course structure and shall acquire at least the minimum of stipulated credits. If a Student in such exercise crosses the said minimum no of credits, the lowest marks/grades scored will be excluded for calculating final grade. The affiliating university's decision is final in this regard.
- All other academic requirement shall be in accordance with the regulation under which the student was re-admitted.
- The decision of the affiliating university is final and is binding on the transitory students on any clarification / query / doubt and whatsoever the decision of the affiliating university-JNTUK is final.
