To,

The Head of Department,
ECE Department,
GIET (A),
Rajahmundry, (A.P).

**Subject: Industry–Academia Collaboration with ECE Department, GIET (A),
Rajahmundry.**

Dear Sir/ Madam,

Power and Video Electronic (PVE) is agreed to have the proposed Memorandum of Understanding (MoU)-with GIET (A), Rajahmundry with regard to Technical Training programs and Internships for B.Tech Students (ECE) in domains of manufacturing, Designing, and assembling of electronics systems with terms and conditions that will be mentioned in detail MoU.

With Regards

A handwritten signature in black ink, appearing to read "L. Ahmad".

Mr. L Ahmad,
Director,
Power & Video Electronics,
Greater Noida

ARTICLE-II: SCOPE AND TERMS OF INTERACTIONS

Both **Power and Video Electronics** . and **Godavari Institute of Engineering and Technology** shall encourage interactions between the Engineers, Scientists, Research fellows, faculty members and students of both the organizations through the following arrangements:

- a. Exchange of personnel through deputation as per the rules of the respective institute, for limited periods (not more than 3 days) as mutually agreed upon.
- b. **Power and Video Electronics** will support for organization of conferences and seminars at Godavari Institute of Engineering and Technology.
- c. Practical training of students at **Godavari Institute of Engineering and Technology** campus itself at nominal charges. In case of paid training.
- d. **Power and Video Electronics**. can provide training at **Godavari Institute of Engineering and Technology** campus physically and through video conferencing.
- e. Joint guidance of student projects/thesis in Manufacturing, Designing and assembling of electronics systems and other areas of national interest at **Godavari Institute of Engineering and Technology** by **Power and Video Electronics** . on mutually agreeable terms.
- f. **Power and Video Electronics**. would accommodate B.Tech. Students who have completed the 6th semester of their programme in such a number that INDUSTRY deems convenient to it for the purpose of imparting **industrial training**.
- g. **Power and Video Electronics** may depute its personnel as visiting faculty at Godavari Institute of Engineering and Technology to teach any of the regular Course or specialized topics on weekdays only.
- h. **Power and Video Electronics**. personnel, as well as research scholars, may also be allowed to enroll for their Ph.D./M.Tech. (Research) at Godavari Institute of Engineering and Technology, subject to availability of seats, research facilities and subject to their fulfilling eligibility criteria and all other academic regulations of Godavari Institute of Engineering and Technology.
- i. **Power and Video Electronics**. may showcase its business activities at the seminar/workshop/conference, etc. at Godavari Institute of Engineering and Technology.
- i. **Power and Video Electronics**. may avail library, Internet, computational facilities at Godavari Institute of Engineering and Technology.
- j. The students will carry out part of their Ph.D. research work or M.Tech./B.Tech Project at **Godavari Institute of Engineering and Technology** and **Power and Video Electronics** . depending on the nature of the work as per rules of the respective institute depending on facilities and requirements.
- k. If the outcome of a project related to product development, process technology and design etc. which involves matter of secrecy and concern with security of the State and

PREAMBLE

The Godavari Institute of Engineering and Technology, located at Rajahmundry (A.P), is a Technical education institute and it is responsible for providing trained technical and scientific manpower in various front-line areas of importance for the Nation. Institute is also contributing to the rapidly growing scientific and technological knowledge and professional excellence in Science & Technology by undertaking industrial & applied research and consultancy.

WHEREAS, Power and Video Electronic is engaged in manufacturing, Designing and assembling of electronics systems.

WHEREAS, both Godavari Institute of Engineering and Technology and Power and Video Electronics, now

- Recognizing the importance of research and development in the areas manufacturing, Designing and assembling of electronics systems and also relevant application, as well as imparting industrial training to the engineering/technology/sciences students, etc.
- Appreciating the need for creation of large reservoir of highly qualified manpower in all fields related to manufacturing, Designing and assembling of electronics systems and also relevant application development.
- Desiring to club their efforts by pooling their expertise and resources,

Objective of MoU

The objective of MoU is to form a nucleus for promoting excellent quality manpower in the fields of engineering, technology and sciences with special emphasis on manufacturing, Designing and assembling of electronics systems and related fields etc.

NOW, THEREFORE, in consideration of the mutual promises made herein and of good and valuable consideration, the receipt and sufficiency of which both Power and Video Electronics. and Godavari Institute of Engineering and Technology hereby acknowledge and agree to sign a memorandum of understanding (MOU).

ARTICLE-I: SCOPE OF THE MOU

This MOU details the modalities and general conditions regarding collaboration between Power and Video Electronics and Godavari Institute of Engineering and Technology for enhancing, within the country, the availability of highly qualified manpower in the areas of Manufacturing, Designing and assembling of electronics systems without any prejudice to prevailing rules and regulations in Power and Video Electronics. and Godavari Institute of Engineering and Technology. The areas of cooperation can be extended through mutual consent.

Y. J. J.

the Country, the same will not be allowed for publication/printing in any form such as Electronically / verbal, etc..

- l. Research supervisors from both the Institutes will be the corresponding authors in any publication resulting from the collaborative work. All the efforts put by the student/s as a part of this **MoU** will be accounted for by way of reporting the work in thesis and/or paper publication except the part for which **IPR** needs be claimed.
- m. Neither of the supervisors will publish the work carried out under this **MoU** without knowledge of the each other.
- n. In any of the activities mentioned above, wherever financial aspects are involved, amount, payment conditions, etc. would be spelt out clearly before starting the activity.

Types of Training offered under MoU

1. One day seminar.
2. Two or three day hands on training on Topic, mutually decided by both parties.
3. Industrial Training of Four and Six week on mentioned area.

Note:-Godavari Institute of Engineering and Technology must bear travelling and boarding expenses in case of one day paid seminar, free seminar or free workshops.

Training Fees(if paid training):

1. Fees collection be done by college itself and decided amount will be handover or deposit given account to representative of **Power and Video Electronics** .
2. **Power and Video Electronics** will not involve in fee collection process.
3. Type of training, Area of training, content of training and charges of training package should be decided at least one month before the schedule by concern of both parties.
4. Godavari Institute of Engineering and Technology must consult **Power and Video Electronics**. before making any announcement of training program at least 2 months before.

Setting up of Center of Excellence:

1. Center of Excellence will be set up on the request of Godavari Institute of Engineering and Technology Management.
2. Godavari Institute of Engineering and Technology will discuss with Power and Video Electronics .before making any agreement.
3. Cost of setting up of center of excellence should be borne by Godavari Institute of Engineering and Technology.

ARTICLE-III : SHARING OF FACILITIES

- a. **Godavari Institute of Engineering and Technology and Power and Video Electronics** . shall make provisions to share their respective important R&D facilities in order to promote academic and research interaction in the areas of cooperation.
- b. **Godavari Institute of Engineering and Technology and Power and Video Electronics**. shall permit the sharing software and other materials and components developed in-house in the areas of cooperation, if permissible within the rules governing the two institutions. However, responsibility for safety of software and other materials during the exchange will rest on respective Head of academic department/section
- c. **Godavari Institute of Engineering and Technology and Power and Video Electronics**. shall provide access to the library facilities to scientists, members of faculty and students as per the prevailing rules and norms in the respective institutes.

ARTICLE-IV: CO-ORDINATION OF THE PROGRAMME INCLUDING FINANCIAL ARRANGEMENTS

- a. The collaborative programme between **Godavari Institute of Engineering and Technology and Power and Video Electronics**. shall be coordinated by a coordination committee appointed by Directors of both the Institutes.
- b. Financial arrangements for each specific collaboration will be decided on a case-to-case basis and brought on record in each case after due approval from heads of both the Institutions.

ARTICLE-V : EFFECTIVE DATE AND DURATION OF MOU

- a. This MOU shall be effective from the date of its approval by competent authorities at both ends.
- b. The duration of the MOU shall be for a period of 2 years from the effective date.
- c. During its tenancy, the MOU may be extended or terminated by a prior notice of not less than two months by either party. However, termination of the MOU will not in any manner affect the interests of the students/faculty/scientists who have been admitted to pursue a programme under the MOU.
- d. Any clause or article of the MOU may be modified or amended by mutual agreement of Godavari Institute of Engineering and Technology and "Industry Name".

ARTICLE-VI : IPR

yothi

Rights regarding publications, patents, royalty, ownership of software/design/product developed etc. under the scope of this MOU, shall be decided by the two parties by mutual consent.

ARTICLE-VII: CONFIDENTIALITY

During the tenure of the MOU both **Godavari Institute of Engineering and Technology** and **Power and Video Electronics** will maintain strict confidentiality and prevent disclosure of all the information and data exchanged under the scope of this MOU for any purpose other than in accordance with this MOU.

Both Godavari Institute of Engineering and Technology and **Power and Video Electronics** shall bind their respective personnel who come into possession or knowledge of any confidential information not to disclose the same to third parties without written approval of the disclosing party or use such confidential information for any use other than intended under this agreement or PROJECTS.

Further both **Godavari Institute of Engineering and Technology** and **Power and Video Electronics** shall put in place adequate and reasonable measures to keep and store confidential information secure so as to prevent any unauthorized use.

CONFIDENTIAL INFORMATION shall mean any proprietary information, data or facts belonging to PARTIES collectively or severally, disclosed by the disclosing party under this agreement or any subsequent agreement, whether in writing, verbal or electronically, irrespective of the medium in which such information is stored, which is marked confidential or with any other words having similar meaning by the disclosing party, or specifically agreed to be kept confidential by the parties, or declared or identified so by the disclosing party before such disclosure or during the discussions. However confidential information shall not include any data or information which:

- a. is or becomes publicly available through no fault of the receiving party,
- b. is already in the rightful possession of the receiving party prior to its receipt of such data or information;
- c. is independently developed by the receiving party without reference to the confidential information of the disclosing party
- d. is rightfully obtained by the receiving party from a third party or is in the public domain
- e. is disclosed with the written consent of the party whose information it is, or
- f. is disclosed pursuant to court order or other legal compulsion, after providing prior notice to the disclosing party.

ARTICLE-VIII : AMENDMENTS

2/20/11

Any amendment and/or addenda to the AGREEMENT shall be in writing and signed by the PARTIES hereto and shall only after such execution be deemed to form part of the AGREEMENT and have the effect of modifying the AGREEMENT to the extent required by such amendment or addenda.

ARTICLE-IX : RESOLUTION OF DISPUTES

- a. This agreement shall take effect and be construed in accordance with the Laws of India and be subject to the jurisdiction of the courts at "State".
- b. The dispute or difference whatsoever arises between PARTIES in relation to or in connection with this AGREEMENT both the parties shall first try to resolve the dispute/difference amicably between them, failing which the matter shall be referred to and settled through arbitration. The arbitration proceedings shall be held in accordance with the provision of Indian Arbitration and Reconciliation ACT, 1996. The venue of arbitration shall be New Delhi and Language of arbitration shall be English.

IN WITNESS WHEREOF PARTIES HERE TO HAVE ENTERED INTO THIS AGREEMENT EFFECTIVE AS ON THE DATE AND YEAR FIRST WRITTEN ABOVE.
