**HEBEON TECHNOLOGIES INCUBATION CENTER AT GODAVARI INSTITUTE OF
ENGINEERING AND TECHNOLOGY (GIET), RAJAHMUNDRY.**

As per the agreement between HEBEON TECHNOLOGIES & GIET, RAJAHMUNDRY,

HEBEON TECHNOLOGIES has set up an 'Incubation Center' at the GIET campus with effect
From 2nd FEBRUARY 2018.

The purpose of the incubation center is to:-

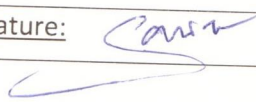

- ❖ Facilitate students in real-time project development.
- ❖ Enhance students' practical exposure in software technologies.
- ❖ Help students gain a thorough hands on experience in various technology verticals.

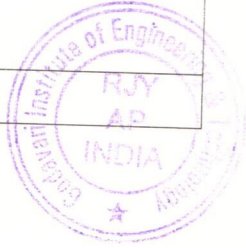

As per the mutual understanding, the selected students of GIET College will be deployed by
HEBEON TECHNOLOGIES for Project Development at the incubation center.

The students so deployed are entitled to receive a monthly stipend from HEBEON
TECHNOLOGIES based on their performance.

**We are grateful to GODAVARI INSTITUTE OF ENGINEERING AND TECHNOLOGY (GIET) for
Their continuous support and cooperation in the project development of HEBEON TECHNOLOGIES.**

We look forward for a long lasting relationship with GIET for mutual benefit.
