

## ARC Curriculum and Execution plan

Dear Respected Members,

We wish you all a happy Pongal.

We are excited to share with you that ARC 1.0 for the students is commencing on 23<sup>rd</sup> January (Wednesday). The Introductory session will be delivered by our German team.

The German faculty will be delivering the sessions to the students on Wednesday afternoons (at 2PM every week). For effectively delivering the program, ARC faculty of the home colleges will be giving prep sessions to the students on the topics to be discussed on Wednesdays. Students shall be divided into 2 batches, 40 each for the prep sessions. These prep sessions can be delivered on either Monday, Tuesday or whichever way based on the convenience of the faculty and students. Further instructions and the proposed calendar for ARC 1.0 is mentioned below. Faculty members are given instruction on how to conduct prep sessions as part of the faculty development program in Germany. Kindly discuss with your faculty members, an implementation strategy for the program.

Two training robots (Igus, Germany) will be delivered to the colleges directly by month end (4<sup>th</sup> week of Jan).

We request SPOCs of respective colleges to submit the following details immediately.

- Those who are yet to transfer the student fees shall proceed with the payment and submit the payment receipt/acknowledgement by 18<sup>th</sup> Jan.
- Please check the proposed ARC 1.0 calendar with your academic calendars and propose changes/modification to be made, if necessary.
- Submit the pictures of the proposed ARC Lab space in your college. (please refer to our earlier communication on the infrastructure requirements for the ARC Labs)
