Subject: Proposal for Civil engineering technical support-reg.,

Dear Sir,

Godavari Institute of Engineering & Technology (A), an esteemed institution renowned for its comprehensive array of graduate and post-graduate programs in engineering and management disciplines. Our commitment to excellence is evident through our highest NAAC accreditation, a reflection of our dedication to cutting-edge research and development. Our department is excited to propose the establishment of a "civil engineering technical support team" dedicated to providing expert guidance in critical areas such as design, drawings, execution, material testing, and field surveying throughout the entire span of 2022-2023. In consideration of this collaboration, allow me to present the financial aspects for your consideration. We kindly request a early contribution of Rs. 1,60,000/-encompassing the annual service charges. This arrangement ensures you have consistent and uninterrupted access to our team's expertise, enabling the seamless progression of your projects. To actualize this initiative, we are fully prepared to allocate a senior faculty member to serve as a dedicated consultant engineer. The outcome is the assurance of effective and timely project execution. For any queries or clarifications, I encourage you to reach out to us via email at hod.civil@giet.ac.in. In closing, I extend our sincere gratitude for considering this collaboration. With the partnership of Godavari Institute of Engineering & Technology (A), we are confident that your construction projects will achieve an elevated level of success.

Warm regards,

Warm regards,

Dr. D. Venkateswarulu

Subject: Proposal for "Technical Support Team" Collaboration

Dear Sir,

I trust this message finds you in good health. We are delighted to introduce Godavari Institute of Engineering & Technology (A), a distinguished institution renowned for its comprehensive range of graduate and post-graduate programs in engineering and management disciplines. With a strong foundation in cutting-edge research and development, our college proudly holds accreditation from NAAC, with the highest rating reflecting our commitment to excellence.

We are reaching out in connection with an exciting opportunity that could greatly benefit your construction projects. Our department is excited to propose the implementation of a "Technical Support Team," focused on providing expert assistance in design, drawings, execution, material testing, and field surveying throughout the duration of 2018-2019.

In line with this collaboration, we are pleased to outline the financial aspects. We kindly request a monthly contribution of Rs. 10,000/-, which would amount to a total of Rs. 1,20,000/- over the course of a year, covering the annual service charges. By opting for a monthly payment structure, you can avail the services of our proficient team consistently, ensuring your projects' seamless progress.

As part of this endeavour, we are prepared to allocate a senior faculty member as a dedicated consultant engineer, accompanied by two capable support staff. This cohesive unit will be at your disposal, catering to the diverse needs of your construction ventures, ensuring their effective and timely execution.

For any inquiries or clarifications, we encourage you to reach out to us via email at hod.civil@giet.ac.in. We are committed to providing a streamlined communication channel to address any questions you might have.

Warm regards,

DMR
