Brief Report of the Event:

Book review and launch for - Engineered in India: From Dreams to billion-dollar CYIENT

It is proposed to attend visit of **Dr.B.V.R Mohan Reddy** visit at **GIET**, which has been arranged in a grand manner and hosted by the management.

The honorable Vice Chairman of Chaitanya group of institutions Sri Sasi Kiran Varma has been president of the for the whole event, Dr.B.V.R Mohan Reddy has been the honored chief guest of the event.

After a floral welcome to the chief guest, A welcome note has been given and programme initiated with introduction to chief guest and book review. Three of the students Ms.Mani Dharsini,Mr.Vijay and Ravi Kiran from CSE III had presented the review of the whole book and mentioned how inspirational the book was to them.

Few of the important highlights of the book as follows

Without change there is no innovation, creativity, or incentive for improvement. Those who initiate change will have a better opportunity to manage the change that is inevitable. - William Pollard

Background :

A young man steps out of the precincts of IIT Kanpur in 1974 with a dream in his heart-to become an entrepreneur and contribute to nation-building. He is none other than Sri. B.V.R.Mohan Reddy. Undaunted by the dearth of experience and means to capital in pre-Liberalization India, B.V.R. Mohan Reddy's enterprising spirit takes the long and winding road, never losing sight of his ambition. He gains overseas education on a scholarship and dons' multiple hats for eighteen long years before embarking on his life's mission at forty. A mission that propels the company he incorporated, Cyient, to pioneer and excel in outsourced engineering services and introduce the brand 'Engineered in India'.

B.V.R. Mohan Reddy is an Indian entrepreneur, and founder and chairman of Cyient, a global technology solutions company. By pioneering outsourced engineering services from India in 1991, Mohan led Cyient to contribute over \$5 billion in cumulative exports and firmly placed India on the global engineering, research and development (ER&D) services map.

Sir, Mohan Reddy spearheaded several industry bodies and served as the chairman of NASSCOM and chairman of CII, Southern Region. He is also the founding director

of T-Hub, India's largest start-up incubation centre. He took up several leadership positions to promote higher education. He is the chairman of the Board of Governors of IIT Hyderabad and IIT Roorkee, a member of the Leadership Advisory Board (LAB) at the University of Michigan College of Engineering, the USA, and a member of the Court of Governors of Administrative Staff College of India (ASCI). Mohan was the recipient of India's fourth-highest civilian award-the Padma Shri-in 2017 for his contribution to trade and industry.

As India's tryst with economic reforms was unfolding in 1991, a 40-year-old engineer's latent dreams started to take shape as he plunged into his entrepreneurial journey from his home in the rocky, undulating and upmarket area of Jubilee Hills in Hyderabad.

Turning the dining area into office space with a CAD/CAM workstation, BVR Mohan Reddy hired two engineers in GIS (Geographical Information Systems) and Sunil Kumar Makkana from Suri Computers, to launch Infotech Enterprises, offering digitisation services. He brought in his former colleague, Rajan Babu Kasetty, as a non-executive director. Both had started their careers in Shriram Refrigeration and Reddy always turned to Rajan on any 'bad day' for comfort and strength.

To promote great interaction to the students QUESTION HOUR was conducted which had been an enthusiastic time for the technical students. Very cautiously answered by Honourable chief guest. Students dispersed with lot of satisfaction. Felicitation to **Dr.B.V.R Mohan Reddy sir was done by Vice Chairman Sri Sasi Kiran Varma Sir**

The valuable responses from Dr.B.V.R Mohan Reddy sir:

Q1. Sir Can I know what is the great resource that ensure success in life

Response: I faced many challenges in my life which made me what I am today, when I am doing my journey time has been given priority, time is precious and if well utilized it will take you to the forefront of every victory

Q2. Sir, Can I have a suggestion from your experience, what could be the best tool that gives sure success

Response: The best tool is DON'T GIVE UP. Sometimes while reaching your goal, you may go across disappointment, but don't give up just remember why you have started and what is the real intention behind it. Gather all your energies and continue the journey but don't give up

Q3. Sir I want to do MBA after B.Tech to become an entrepreneur, is it really necessary to do MBA what are the brighter aspects I can experience if I do MBA

Response: First priority to be given to your passion. If your passion is entrepreneurship then take training in it. Doing MBA can be secondary. It will support your knowledge. Read the lives of successful entrepreneurs and definitely you win

Q4. Sir, Is really CYIENT your childhood dream or anything had lead you to establish CYIENT

Response: My intention in establishing CYIENT is to be part of nation building. My childhood dream is to become part of nation building and to become successful entrepreneur

Q 5: Sir, can you tell what are the two important things I have to do before I think about becoming a successful entrepreneur

Response: Develop passion towards what you want to do and concentrate on wealth creation. It will make you to be persistent towards what you want to do.

Objectives of the program :

- The program aimed to motivate the young students to become entrepreneurs in future
- The program aimed to encourage focused thinking among the young engineers
- This program will make the students industry ready

Brief Report of the Event: “Medha 2022: Engineers Day Celebrations”

Godavari Institute of Engineering and Technology (Autonomous) has organized “Medha-2022”, a Two-day technical fest as a part of “Engineers Day Celebrations” on 14th and 15th September 2022. In this technical fest, every department organized events in many aspects like Paper Presentations, Poster Presentations, Treasure Hunt, Quiz, Hackathons, Tech Talk, etc. More than 1400 students from GIET (A), GIET Engineering College and national level engineering colleges participated in these events. Dr.B.Sujatha, HOD, CSE acted as convener and Dr.R Tamilkodi, HOD, CSE-AI&ML & CS acted as co-convener. On the 1st day i.e. 14-09-2022 at 10:00 AM, GIET group principals, Directors, HoD of all departments and other dignitaries inaugurated the event by lightening the lamp. At 11:00 AM followed by all the events are started at the corresponding venues. On the 2nd day i.e. 15-09-2022, the fest continued with the events at 9.30 AM and ended with valedictory function at 4:00 PM. During the valedictory function, the chief guest Mr. Amit Narayan inspired and motivated the students with his speech. Later the chief guests distributed the prizes two winners of different events.

- Background : National Level Technical Fest.
- Objectives of the program : To motivate and create awareness in students on new technology.
- Organization of Event : Godavari Institute of Engineering & Technology (A)
- For whom : Students of Colleges around India.
- Organizing team : Godavari Institute of Engineering & Technology (A)

Concluding remarks on the Event.

The program that was aimed to motivate the young engineers to enhance their skills in every aspect was a great success. Experts gave their valuable suggestions to the participating students to make them further enhance skills. The speech of the chief guests of valedictory, surely lit a spark in the students.
