Mrs.R.Tamilkodi, Chairman BOS and HOD (Master of Computer Applications) welcomed all the members to the BOS-MCA meeting of GIET (A), on 28th Nov 2020, for finalizing Course Structure of GRCA-20 and syllabus of 1st Year and 2nd Year along with other points in the agenda. The agenda points have been appraised to the members by BOS Chairman.

During the meeting the following points were discussed and resolved as follows-

1. Course Structure and syllabus of GRCA-20 for I and II year was finalized and approved.

Suggestions for the Course Structure

- a. The course name C and Data Structures is modified as Problem solving using C & Data Structures in I semester
- b. Database Management System Theory and Lab to be in I semester
- c. Probability and Statistics course and Python Programming Lab has been introduced in I semester
- d. Inclusion of Object Oriented concept in Software Engineering theory and Software Engineering lab in II Semester
- e. Introduced Data Science course and R Programming Lab in III Semester
- f. Introduced Full stack web development course instead of Web Technologies and Professional Ethics course in III Semester
- g. Elective courses are finalized in which MOOCS course is introduced in IV Semester for the benefit of students who undergo project internship during that Semester
- h. Software Testing and Quality Management, Software Project and Process Management, Cyber security and Forensics are the new courses introduced in elective when compared with previous regulation GR17.
- i. Few text books are added in syllabus along with existing text books for some courses
- j. Model Papers has been finalized for both Mid and End examinations
- k. Paper setters have been from autonomous or from reputed Institutions

The Chairman Board of Studies Master of Computer Applications Department thanked all the BOS Members who spent their valuable time for making the BOS meeting success with their important recommendations. BOS Chairman-MCA also thanked all members for giving helpful suggestions for improvements and benefit of the students in current environment.
