WHY GIET?

GIET at present is ranked as one of the top 10 engineering colleges in AP. Today, India has earned a name for itself in the field of providing professional education and is continuously making steady contributions to the knowledge bank of the world. The world today evolves at a rapid and astonishing pace with new developments in management and technology. With such quick and rapid changes, it becomes essential to balance a strong value system with a knowledge-centric approach.

There is also a requirement for leaders who are emotionally, mentally, socially, and intellectually skilled to anchor the future towards splendid accomplishments. This is where GIET makes a difference. Our students are trained by the best teachers with world-class amenities, which makes them strive towards achieving excellence in each sphere of their lives.
