International Women's Day was celebrated GIET Campus on 08-03-2021 by NSS Unit. Women are at the fore front of the battle against covid-19, as a front line and Health sector workers, as scientists, doctors and caregivers, yet they get paid 11 percent less globally than their male counterparts. We need women's representation that reflects all women and girls in all their diversity and abilities, and across all cultural, social, economic, and political situations. This is the one way we will get real societal change that incorporates women in decision making as equals and benefits us all. Dean-HBS Dr. V. Kusuma Kumari gave a valuable message on women empowerment to all the girls students. The programme was convened by NSS PO Mr. Y .D. Siva Prasad.
